Ahmet Onder CSP, B.Eng
Director of Sales
Envirotech Office Systems Inc.
8025 Dixie Road
Brampton, Ontario L6T 3V1

Dear Ahmet,

The following is our testimonial to your company.

AJB Software Design Inc. recently moved to a 40,000 square foot office building which houses our 200+ employees. Envirotech Office Systems was a key supplier in our move.

We purchased a combination of new and used office furniture from Envirotech, including workstations, private offices, seating, and boardroom and meeting room furniture. We had a very tight project design and delivery time frame, and Envirotech delivered both on time and on budget. They were also very helpful and acted like a partner in helping us create a work environment that is efficient, inviting and productive for our employees.

In addition, since the installation their customer service has been impeccable. We would highly recommend working with them.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tamara Miller', written in a cursive style.
