Envirotech Office Systems
8025 Dixie Road
Brampton, Ontario
L6T 3V1

Attention: Lesley White - Account Manager

Lesley,

It gives me great pleasure to provide you with the following testimonial with respect to service and product which your company has recently provided to the Toronto Star at 1 Yonge Street.

In 2011, we were in desperate need of meeting room furniture solutions for a project that involved both a tight timeline and budget. Envirotech Office Solutions sourced their inventory database and came with several options which we were able to choose from.

The product was sourced, purchased and delivered within 2 weeks.....a job well done. We found the pricing to be in line with expectations.

We look forward to our continued working relationship with Envirotech and wish you and your colleagues all the best for the future.

Best regards,

Dan Izokaitis
